

RESEARCH OPPORTUNITIES

WE ARE SEEKING HIGHLY MOTIVATED AND TALENTED INDIVIDUALS TO JOIN OUR EMERGING TEAM AT TECHNION – ISRAEL INSTITUTE OF TECHNOLOGY

Fully-funded MSc and PhD positions

- ❖ Interested in studying the physics of **thermal fluids** and **interfacial transport phenomena** for **advanced energy technologies** and **propulsion systems**?
- ❖ Excited to join a **collaborative research team**?
- ❖ Motivated to develop **optical flow diagnostics** and **thermophysical measurement techniques** on different time and length scales?

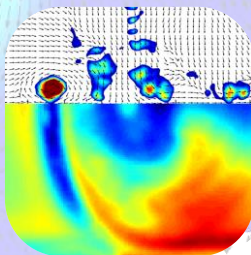

To apply, send a detailed CV and transcripts to aterzis@technion.ac.il

Flow and transport
in porous media

Wetting and
spreading dynamics

Convective heat
and mass transfer

Turbomachinery
aero-thermodynamics
