Graduate Student Positions at ANPL

The Autonomous Navigation and Perception Lab (ANPL) is looking for highly motivated and strong M.Sc. and Ph.D. students!

Join us in pushing forward the state-of-the-art in
- Online planning under uncertainty
- Autonomous semantic perception & Simultaneous Localization and Mapping (SLAM)
and additional related directions.

Take a look at different ongoing activities on the ANPL website and feel free to reach out.

Lab Head: Assoc. Prof. Vadim Indelman
