From: Prof. Gil Iosilevskii, Dean, Faculty of Aerospace Engineering

**Prize in Memory of the late Professor Yaakov Timnat –  
Call for Nominations for 2026**

Like every year, this year the faculty will award the prize for excellence in memory of the late Prof. Yaakov Timnat.

The prize is awarded to a graduate student enrolled in the faculty's graduate program and is intended to enable the student to attend an international conference to which the candidate's work was accepted for presentation. Preference will be given to candidates whose work focuses on the field of aerospace propulsion.

Prize amount: **\$750**.

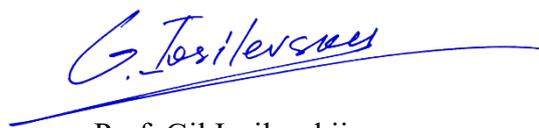

Upon returning from the conference, the graduate student prize recipient will present the work at a faculty seminar.

Nomination proposals should include information about the conference, the status of the work regarding acceptance to the conference, a printout of the work, the student's CV and recommendations from the student's supervisors.

Please submit candidate nominations to the Dean's Office by **March 1, 2026**.

The prize will be granted at a faculty ceremony for outstanding students, attended by representatives of the family, to be held on July 1, 2026.

Best regards,

Prof. Gil Iosilevskii
